

## Festive Season Solo Saving

In festive season spirit, Aurora Expeditions is offering single supplements savings for select sailings in 2023

**SYDNEY, AUSTRALIA (November 17, 2022)** – Award-winning expedition travel company, Aurora Expeditions is feeling festive and is offering individual travellers solo savings on some of its most popular Arctic and global voyages when booked and deposited before December 31, 2022.

Aurora Expeditions is noticing a markedly increased interest in single travellers wishing to join the welcoming environment of its voyages. Solo travellers can connect with like-minded travellers in a friendly, relaxed environment on board Aurora's purpose-built, small ships, the *Greg Mortimer* and the latest addition, the *Sylvia Earle* without paying the regular single supplement\* – a savings of 50 per cent. They can immerse themselves in enlightening, life-changing adventures, on expeditions to fascinating locations such as the Arctic Circle, Greenland, Iceland, Svalbard, the Northwest Passage and even be dazzled by the Northern Lights.

Non-solo travellers can also enjoy the festive spirit as Aurora is also offering up to 20 per cent\* off all Arctic and global 2023 voyages when booked and deposited before December 31, 2022.

Aurora Expeditions, recently awarded World's Leading Polar Expeditions Operator at the 2022 World Travel Awards, is focused on increasing awareness of these thought-provoking, and inspiring regions, through immersive and educational experiences and create lifelong ambassadors of our planet.

### **About Aurora Expeditions**

Aurora Expeditions is an award-winning, Australian-owned expedition company pioneering experiential travel for over 30 years. A pioneer in Polar Expeditions, Aurora is deeply committed to environmentally respectful travel to preserve the beauty and majesty that mother nature possesses, and we take real actions for the care of the planet.

Founded on the guiding principles of adventure and endless exploration, the small ship experience is intimate and friendly. Aurora Expeditions takes travellers on perspective-altering experiences to some of the most remote and incredible places on the planet. Our ultimate aim is to have our expeditioners, leave their Aurora experience as lifelong ambassadors for the planet.

Aurora's two purpose-built ships, *Greg Mortimer* and our brand-new small expedition ship *Sylvia Earle*, are designed for global discovery. Our new ship is named after acclaimed marine biologist, oceanographer, explorer and conservationist Dr Sylvia Earle.
